

Willkommen in der 2. Klasse bei Frau Glenn!

Who is that little orange dragon in the first slide?

His name is Kokosnuss. Kokosnuss in English is coconut. Our little friend received his name because he was as big as a coconut when he hatched out of his egg. His two best friends are Matilda the porcupine and Oskar, another dragon. They live on an Island in the middle of the ocean.

Kokosnuss is our class mascot. He is about the same age as our second graders. He loves adventures and helping others. We will read about all of his adventures throughout the year.

All about me!

Hello & Welcome to 2nd Grade! My name is Frau (Mandy) Glenn.

I was born and raised in Germany. My hometown is a tiny town about an hour away from Dresden. I absolutely loved my childhood there. My mom and dad still live there, and my brother and his wife made our town their home now too.

I graduated from Winthrop University in 2012 with a Bachelor in Early Childhood Education. My husband and I adopted two fur babies. Monk came first. We call him the emperor or the house. Nugget came to us this past December. She is known as the mall cop.

Class Schedule (starting August 24th)

Our Class schedule is posted on my [Weebly](#). There you can find a PDF for better viewing.

This schedule will be subject to change. As I get to know your child better, I might have to tweak the schedule to make it fit his/her needs better. This applies mainly to the small group instructions.

If your child is receiving special services, you will also still hear from that teacher to schedule those lessons.

I will also send out a weekly plan with the exact assignment for the first few weeks to make it easier for you and your child.
